

**Public Joint Stock Company «Mining and Metallurgical Company «NORILSK NICKEL»**  
(PJSC «MMC «NORILSK NICKEL», «Nornickel», the «Company», the «Group»)

## **NOTICE TO HOLDERS OF DEPOSITARY RECEIPTS**

**Moscow, August 23, 2024** – Nornickel, the world's largest producer of palladium and Class I nickel and a major producer of platinum and copper, draws attention to the fact that The Bank of New York Mellon (further — BNY Mellon) acting as a global issuer under the program of depositary receipts issued on shares of PJSC "Mining and Metallurgical Company "Norilsk Nickel", published a notice on opening its books for cancellation of ADRs of 19 Russian issuers including PJSC MMC Norilsk Nickel. The books are expected to be open until September 20, 2024 and are subject to certain conditions set out in the announcement by BNY Mellon:

<https://www.adrbny.com/content/dam/adr/documents/special-notices/files/05/AL200005.pdf>

The cancellation procedure is sought by and is subject to the conditions set by the BNY Mellon. Nornickel does not have any additional information about the cancellation procedure, does not guarantee the completion of it and does not undertake any obligations in connection with the above-mentioned procedure (including any further information about this procedure).

The notice is for information purpose only and is published in order to provide equal information to all investors of Nornickel. ADR holders have discretion to make a decision in regards to this notice seeking, if necessary, assistance from investment, legal or any other advisors.

### **ABOUT THE COMPANY**

MMC Norilsk Nickel is a diversified mining and metallurgical company, the world's largest producer of palladium and Class I nickel and a major producer of platinum, cobalt, copper and rhodium. The company also produces silver, gold, iridium, ruthenium, selenium and other products.

The main production units of Norilsk Nickel Group are located at the Norilsk Industrial District, on the Kola Peninsula and Zabaykalsky Krai in Russia.

MMC Norilsk Nickel shares are listed on the Moscow Exchange.
